Sample books purchased at list price can earn a full rebate for each sample book purchased. Comfortex will automatically track each shade (unit) that you purchase. Eligible rebates begin upon receipt of your sample book and continue for 120 days. You will earn a \$10 rebate per unit up to the total paid for the sample book(s). Purchases must be from the products offered in this new sample book to qualify for the rebate.

Freight charges are not eligible for rebate. Your earned credit will be applied to your account as a "Sample Book Rebate Credit" and will be applied after the rebate period.

Please note that your account must be in good standing before rebates will be processed. Only sample books purchased at list price (or pre-order price of \$249.95) qualify for this rebate. Units for rebates exclude contract orders, parts, repairs, sample shades and remakes.
