

December 1, 2022

SHIPPING & HANDLING FEE INCREASE

Effective January 2nd, 2023

Carrier costs have continued to increase since our last adjustment in January 2021 and will increase again in 2023. As a result, Comfortex will be adjusting some aspects of our current freight policies **effective January 2, 2023**. Besides these adjustments, all other aspects of our freight policies will remain intact. As a result, the following charges will go into effect January 2, 2023:

BLINDS & SHADES SHIPPING & HANDLING

Per Unit Shipping & Handling

The shipping and handling fee for the 1st unit will be \$25.00. Each additional blind/shade unit will be \$9.00.

Sample Book Shipping & Handling Fee

The shipping and handling fee for each sample book will be \$9.00.

DirectConnect orders will be updated automatically to reflect the shipping and handling fee charges and order minimums. The Price and Reference Guides will be updated with this new information prior to the effective date. The updated guides will be posted online on the Dealer Resource Center. **Printed Price and Reference Guides will no longer be available after 12/31/22**. Electronic versions will continue to be updated and posted online.

ADDITIONAL SHIPPING & HANDLING INFORMATION

Expedited Shipping Charges (Contiguous 48 States)

Expedited shipping of orders is available upon request at the following rates (Maximum width allowed is 90")

- Next Day Air Service - \$30.00 per blind/shade
- 2nd Day Air Service - \$25.00 per blind/shade
- 3 Day Air Service - \$20.00 per blind/shade

Oversized Shipments (widths of 90" or greater)

In addition to the \$25 shipping and handling fee per unit, a \$50 per unit oversized surcharge will be added to all oversized fabricated products shipping within the Continental U.S., including blind/shades, Vertical Sheer Shadings, Ovation Cellular Slider, Panel Track systems, valances, vane packs, individual vanes, and tracks. Oversized products will have a minimum charge of \$80 per order.

Alaska, Hawaii and Puerto Rico: Standard orders: \$32 per blind/shade order (minimum charge of \$100). Any shades, blinds or any continuous valance 90" and over in width (or vertical blinds and vertical application honeycomb shades 90" and over in height) have a shipping charge of \$132 per unit.

Components and Fabric

Comfortex will prepay all freight charges on shipments of component and fabric orders over \$3,500 in value within the Continental US. Fabric and component orders less than \$3,500 will be subject to freight charges.

Thank you for your continued support.
